The bold, eye-catching Cyclone chandelier simulates whirling winds of energy and gyration with twisting metal that is accentuated with 36 delicately placed beacons of light to help you weather the storm. The winding mass of Industrial Steel surrounds a sturdy post. Make an impressive design statement that will wow guests in lobbies, conference rooms, entryways and other residential, hospitality and commercial spaces. The overall height ranges from 70 to 142 inches as the chain length can be easily adjusted in the field to accommodate your specific lighting application needs. This massive fixture is handcrafted by master artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Fixture designs, metal finishes and sizes can be customized to meet your needs. UL and cUL listed for damp and dry locations.
