The large, bold, eye-catching Cyclone simulates whirling winds of energy and gyration with Hand-forged Old Wrought Iron that is accentuated with 36 delicately placed, energy-efficient LED beacons to help you weather the storm. The winding mass of metal surrounds a sturdy post. Overall height ranges from 92 to 163 inches as the chain easily adjusts in the field. Make an impressive design statement that will Wow guests in lobbies, conference rooms, entryways, and other residential and commercial spaces. The Cyclone Chandelier is included in our American-made, American-designed, handcrafted Cyclone Collection. Manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
