#### Other

Designed as an inviting, minimalistic-style lighting fixture inside a covered courtyard in a hotel or fine home, this magnificent indoor/outdoor ceiling pendant features a lighting design inspired by a woman's bracelet. A dozen Ambra Siena Idalight panels are illuminated with complementary faux candlelights that match the Mahogany Bronze finished frame. This pendant style is inspired by architecture derived from the Arts and Crafts Movement of the mid-19th century. The overall height of this pendant ranges from 30 to 84 inches, as the aircraft cable length can be easily adjusted on location to accommodate your specific lighting application needs. The Porte Cochere Pendant is included in our American-made, American-designed, handcrafted Craftsman Lighting Collection and is manufactured in Yorkville, New York. UL and cUL listed for dry, damp, and wet locations and featured in a lodge's porte cochere in Montana.
