The natural beauty and vibrant pulse of earthly gardens awaken with elaborate accents depicting stunning floral leaves and branches born in the woodlands. Like the soul of the forest, Le Printemps is an undeniable source of beauty and light. Multiple plant-like adorned arms embrace 15 complementary faux candlelights that sprout shimmering rays of illumination while graceful songbirds and dragonflies soar among the flowers. The frame, accents, and hardware are featured in a Tuscan Ivory hand-applied premium finish with a protective clear coat. Handcrafted by expert artisans in our 180,000 square manufacturing facility at the foothills of the beautiful Adirondack Mountains, this chandelier is available in custom sizes, styles, and finishes.
