Designed with a stunning tapered profile that fits into a variety of interiors, this ceiling pendant defines a sophisticated aesthetic. The Ivory Maharam Textrene shade, constructed with customer supplied fabric, is complemented with a Statuario Idalight bottom diffuser. The overall height of this pendant ranges from 20 to 53.5 inches as the aircraft cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in the USA. Custom options available. UL and cUL listed for dry and damp locations however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
