Integrating an elegant style with a classic distinguished look. Beartooth is custom crafted with 8 Ambra Siena Idalight Cylindres perched on a rugged, double-circular frame which is featured in a Copper Vein finish. Each Cylindre is adorned with Beartooth-like, vertical metal accents featured in a matching finish. The scale and proportion of this massive chandelier is optimized with luminance integrating an impeccable design with aesthetic vision and functional integrity. Handcrafted by highly skilled artisans in our 180,000 square manufacturing facility in Yorkville, New York. Diffuser colors, metal finishes and sizes can be customized. UL and cUL listed for dry and damp locations.
