Designed by Bryan Hamlin, the Embrace Floor Lamp was inspired by the geometries of vacuum tube radios from the late 1930s. Embrace features complex illuminated forms that appear to be in motion. Spiraling illuminated components create an interlocking combination of light and shadow. The Satin Brass finished lamp is designed with a Statuario Idalight diffuser. The lamp illuminates with Integral LEDs for beautiful 3000K light, energy savings, and long life. The Embrace Floor Lamp is included in our American-made, American-designed Handcrafted Bryan Hamlin Collection, which is manufactured in Yorkville, New York. The lamp is UL and cUL Listed for dry locations. The Embrace design can be customized in nearly infinite design variations, including fixtures for ceiling and wall lighting applications.
