Inspired by the tight engineering of a gyroscope with the elegance of a ballroom, an exquisite candelabra featuring 12 Ivory faux candlelights are highlighted within this sophisticated architectural structure. Two Timeless Bronze finished rings encircle a decorative inner frame that surrounds the luminaires for a unique look. Aldari is ideal for illuminating ballrooms, lobbies, foyers, and a variety of other large rooms in residential and commercial settings. Handcrafted in the USA, this fixture is available in custom sizes, styles and colors, as well as dimmable energy efficient lamping options. The chandelier is UL and cUL listed for damp and dry locations.
