Crank up a dramatic look with ambient lighting from this unique turbine profile. The Ausband mini pendant features a detailed fluted look of power and technology for any room in a commercial or residential setting. This fluted design is inspired by century-old louvers used for engine heat ventilation in the aviation and automotive industries. The diffuser is enhanced with a Black Nickel Powder Coat finish. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Special sizes, metal finishes and diffuser styles can be customized to meet your needs. UL and cUL listed for dry and damp locations.
