The fixture features Oil Rubbed Bronze-finished frame and hardware to complement any interior decor. The mini pendant can be installed in groups across a bar, table, counter, or island to make a dramatic design statement in fine homes from Charlotte, North Carolina, to Detroit, Michigan, to Boise, Idaho. The Cilindro Structure Mini Pendant is included in our American-made, American-designed, handcrafted Contemporary Lighting Collection. UL and cUL listed for dry and damp locations; however, we do not recommend placing it in spaces that experience a large amount of moisture due to the fabric shade.
