Luxurious jewelry-inspired elements elevate this design aesthetic to a new level, featuring two rings with Crystal Baguette lenses, which provide prismatic brilliance when illuminated by Integral LEDs. These LEDs offer dimmable, robust illumination, energy savings, minimal maintenance, and long life. The table lamp features a Translucent Dark Starburst finish, developed in collaboration with the designer, for a complete one-of-a-kind aesthetic. The lamp can be hardwired to countertops and other surfaces in retail and other spaces. The Together Forever Ring Table Lamp is featured in our American-made, American- designed, handcrafted Personalized Lighting Collection. The fixture is UL and cUL listed for dry locations. We want to thank the designer, Kara Walker of JGA
