As if swaying in the frosty winter wind, this Winter Solstice fixture breathes life into a Birch tree design that delivers beautiful ambient lighting. Five Travertine Idalight Cylindre elements become luminescent as they are embraced by Branch-style metal arms. The Birch Tree custom medallion is designed to accompany the ceiling canopy and features the grain and texture of Natural Birchwood. The medallion features Natural Birchwood that is sustainably harvested from timbers found locally in the nearby Adirondack Mountains. This massive oblong chandelier offers a Rust Patina Hand-Painted finish that custom matches the customer's custom cabinet hardware. The fixture perfectly complements any residential or commercial environment, especially above kitchen islands, counters, tables, and bars. The Winter Solstice Cilindro 5 Light Oblong Chandelier is included in our American-made, American-designed, handcrafted Nature Inspired Collection and manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations.
