A modern sophisticated system featuring extraordinary adjustable elements of ambient light, 3 interlocking spectral halos appear to rotate in space. Eliminating the power cord, our exclusive proprietary suspension system is engineered with low voltage spacecraft cables for balance, precision and a clean aesthetic. These custom configurable Pewter finished metal rings reveal Statuario Idalight diffusers. Integral LEDs deliver dimmable, robust illumination, energy savings, and long life. The overall height ranges from 20 to 80 inches as the cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, New York.
