A modern sophisticated system featuring extraordinary adjustable elements of ambient light, 5 elliptic spectral halos appear to rotate in space and create a stunning visual effect and breathtaking drama. Supported by sturdy Spacecraft cables for balance and precision, this custom configurable grouping of Solar Black finished solid steel rings reveal Crystal and Contrail Mist Idalight diffusers. High powered, integral LEDs deliver dimmable, robust illumination, energy savings, minimal maintenance and long life. Custom sizes, styles and finishes are available, as well as other lamping options. Handcrafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York.
