Like the branches of a wise old tree asleep in the cold winter woods. The Winter Solstice Budding Chandelier is an abstract expression of light that is perfectly poetic. Meticulous architectural details abound with hand-applied Antique Hammered Gold finished branches hibernating until the illumination evokes from 12 customer supplied bulbs and accented with Clear Glass Budding Tulips. Ideal for illuminating dining tables, islands, counters, and bars. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility at the foothills of spectacular New York's Adirondacks. Custom sizes and finishes available. Dimmable energy efficient lamping offered. UL and cUL listed.
