White Textrene shades crowning faux candlelights are perched atop of diminutive bobeches. The chandelier is highlighted with stunning Hand-formed Iron hardware hand finished in a Black Textured hue. Custom crafted by in our 180,000 square foot manufacturing facility in Yorkville, NY. Custom sizes, designs, colors and dimmable energy efficient lamping options are available. The 6 foot wide chandelier is UL and cUL listed for damp and dry locations; however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades.
