This stunning, graceful wall sconce features a striking Tall Pine Tree design, with an Ambra Siena Idalight lens. The frame and hardware are finished in Cafe Noir. Use this lovely sconce to brighten the walls of timber homes, lodges, modern farmhouses, and other spaces. The Tall Pines Wall Sconce is featured in our American-made, American- designed, handcrafted Nature Inspired Collection and manufactured in Yorkville, New York. The Fulton Tall Pines Pendant is part of our American- made, American-designed, handcrafted Craftsman Signature Series, manufactured in Yorkville, New York. UL and cUL are listed for use in dry, damp, and wet locations. Our Build Your Own Craftsman Signature Series features unlimited combinations of styles. The collection is called Build Your Own because it is fully configurable and customizable from size and design to finish and lens color. Marine-grade, solid brass, or copper raw materials are utilized to ensure items from the Craftsman Signature Series of outdoor and indoor lighting will stand the test of time, as these premium metals are impervious to most types of oxidation. Choose from a variety of style options, or send us your concept today! Call today to learn how to use the configuration tool available on our website to generate an item number instantly.
