Inspired by impressive lighting fixtures found in European castles... This massive ceiling pendant is highlighted by a stunning Weave-Tex shade that embraces a rugged metal crown frame and reveals 16 miniature Edison-style lamps. The frame, chain, and decorative accents are featured in a handsome Brown Bronze finish. The overall height ranges from 63 to 137 inches, as the chain can be easily adjusted on location. The Nehring Inverted Pendant is included in our American-made, American-designed, handcrafted Craftsman Lighting Collection. The fixture is manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations. The fixture is featured in the Belleayre Mountain Ski Center in Highmount, New York, and is operated by ORDA, the Olympic Regional Development Authority based in Lake Placid, New York. Thank you to Quality Lighting Systems of Clifton Park, New York, for the order.
