Other

Blending an elegant style with a rich, distinguished look, this Noziroh Chandelier features two Textured Black finished sturdy rings that provide timeless beauty and impressive ambient illumination. Forty Frosted Seeded Glass Cylindre diffusers are mounted on the structure, each perched on a bobèche. 40 Cylindres offer ambient lighting, four uplights provide illumination on the ceiling above, and four downlights deliver functional lighting on surfaces below. The downlights, uplights, and Cylindre lights benefit from separate circuits that give you precise dimming control over three layers of light to create the perfect ambiance in the space. The overall height ranges from 75 to 194 inches, and the chain can be easily adjusted in the field. The massive chandelier is ideal for placement in entryways in fine homes and restaurants from Dayton Beach, Florida, to Cheyenne, Wyoming, to Eden Prairie, Minnesota. The Noziroh Ring 40 Light Two Tier Chandelier is included in our American-made, American-designed, handcrafted Transitional Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
