Rugged rustic charm blends with Gothic beauty. Inspired by Antique Wooden staves traditionally bound by wooden or metal hoops in the construction of beer/whisky barrels and wine casks. Timeless Bronze finished solid stout curved arms support bobeches accented with Ivory faux candles which line up like soldiers at attention in abeyance of the barrel to which they serve. Ideal for lobbies, foyers, banquet rooms and reception areas. Custom crafted by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. UL and cUL listed for dry and damp locations.
