Ice laden windowpanes basking in the winter sun's radiation, the Ice Cube Chandelier features Clear Kiln-Cast art glass, a high-fired technique employed to create this unique melted ice look. These eight luminaires fit neatly into the hardware that is featured in Antique Nickel. This fixture is ideal for illuminating islands, display counters and conference tables. A multitude of custom options are available, including sizes, styles, finishes and dimmable energy efficient lamping options. UL and cUL listed for damp and dry locations.
