Other	

An impressive industrial look comes to light. Inspired by a unique configuration of winding pipes used in today's structures. Wrought Iron Pipes are complemented and illuminated with eight 12-watt Edison-style LED lamps. Made to Order by highly skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Diffuser styles, metal finishes and fixture sizes can be customized to your needs. UL and cUL listed for dry and damp locations.
