Beige art glass is transformed into a cool abstract lighting design similar to the famed deco designs showcased in Hollywood theaters. Striking art glass defines an extraordinary V shaped sconce which is complemented with decorative accents, frame and hardware featured in a Black finish. The fixture is ideal for foyers, corridors and other interiors in homes, resorts, hotels and restaurants. Custom crafted by highly skilled artisans in the USA, this fixture is available in custom designs, sizes and colors, as well as dimmable energy efficient lamping options such as LED. The sconce is UL and cUL listed for damp and dry locations.
