This stunning, curvaceous wall fixture integrates a modern look with a minimalistic style. It features an alluring Natural Textrene diffuser complemented with Oil Rubbed Bronze hardware and decorative accents. The ADA-compliant wall sconce can illuminate corridors and entryways in homes, lounges, and restaurants. The Cilindro Prime Wall Sconce is included in our American-made, American-designed, handcrafted Modern Lighting Collection and is manufactured in Yorkville, New York. The fixture is UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
