Like a fine piece of furniture, sculpted pendants capture a warm feeling of relaxation and serenity that will enhance modern living. The crystal baguettes are like the morning sun shining through drops of dew hanging from a blade of grass. The frame is as if from trees shaped by years of growing with the north winds pushing gently at their spine. Crafted by the hands of artisans. Prismatic baguettes illuminate with state of the art LED technology for ambient lighting, energy savings and minimal maintenance. Custom styles and colors available. Handmade at the foothills of New York's Adirondack Mountains
