Rendering a stunning transitional look. This handsome lighting design features a column-shaped White Linen luminaire enhanced with a Solar Black finish. This stunning wall sconce delivers optimal upward and downward illumination. The Quadrato Torre Wall Sconce is included in our American made, American-designed, handcrafted Modern Lighting Collection and manufactured in Yorkville, NY. UL and cUL listed for dry and damp locations; however, we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shades. Special thanks to Renee Bohman of Renee Bohman Interior Design and Allen Fankhauser of Bernard Electric Supply. Co. Inc., Both of Columbus, Ohio, for their work on this project.
