A modern sophisticated pendant featuring a spectral halo of ambient light. Our powered suspension feed is engineered with low voltage spacecraft cables for balance and precision. This Gloss White powder coated ring reveals a Contrail Mist Idalight diffuser. Integral dimmable LEDs deliver energy savings, minimal maintenance and long life. The overall height ranges from 25 to 138 inches as the cable length can be easily adjusted in the field to accommodate your specific lighting application needs. Handcrafted by skilled artisans in our 180,000 square foot manufacturing facility in Yorkville, New York. Diffuser colors, metal finishes and fixture sizes can be customized to your needs.
