Ison is a modern, sophisticated chandelier featuring an extraordinary futuristic style and a clean architectural aesthetic. This massive metal network of Natural Brass arms embraces 18 Edison-style lamps that create ambient illumination, a stunning visual effect, and breathtaking drama. This eye-catching structure emits a clean glow and enhances the ambiance of the surrounding space as it elevates the fixture's appeal in homes and hotels from Montpelier, Vermont, to Portland, Oregon, to Seattle, Washington. The Ison 18 Light Chandelier is included in our American-made, American-designed, handmade Modern Lighting Collection and manufactured in Yorkville, New York. The chandelier is UL and cUL listed for dry and damp locations.
