This upscale Lex Chandelier is designed and engineered with 6 Dome Shaped Pink and White Mottled Glass shades crowned with open styled glass shades. All shades are complemented with color coordinated glass fringe perched on linear arms. A single diffuser doubles as a finial at the center of the fixture. The architecturally styled stem features stacked cone shaped accents. The Matte Brass finish is a Hand Applied Patina that reveals the stunning beauty and antique richness of exquisite Solid Brass that is distinguished without looking dated or too shiny, for a subtle yet warm effect. Custom Crafted in our 180,000 sq ft manufacturing facility in Yorkville, NY. UL and cUL listed for dry and damp locations.
