Other Metal Finish:: NickelAcid Burnt Copper

Inspired by distinctive grooved patterns used in European architecture, this impressive sconce features Nickel finished steel channels on the top and bottom. The channels border a stunning band of authentic Solid Copper with a charred finish. This extraordinary wall luminaire design is ideal for hallways and other areas throughout residential and commercial spaces. The fixture is handcrafted in the USA. Custom sizes, styles, colors and dimmable energy efficient lamps are available such as LED. This fixture is UL and cUL listed for damp and dry locations.
