Hand-forged Iron Metalwork creates a rich, luxurious look for Caprice. This high-styled wall fixture is crafted with a Fleshtone Idalight lens and stainless steel that is finished with a Solar Black powder coat to withstand direct sunlight and exposure in most geographic climates. This sconce is ideal to complement a variety of architectural styles for today's exteriors and interiors. This luxurious fixture is perfect for illuminating interiors and exteriors in residential, hospitality, and commercial spaces throughout the US, including Arlington, Virginia, Omaha, Nebraska, and Sacramento, California. The Caprice Wall Sconce is included in our American-made, American-designed, handmade Traditional Lighting Collection and manufactured in Yorkville, New York. UL & cUL listed for dry, damp, and wet locations.
