The Channell wall sconce features a tapered, pleated Eggshell Textrene shade, which is enhanced with hardware featuring a Solar Black finished backplate. The sconce is ideal for illuminating hallways and living spaces in fine homes from Summerville, South Carolina, to Jeffersonville, Indiana, to Twin Falls, Idaho. The Channell Tapered & Pleated Wall Sconce is included in our American-made, American-designed, handcrafted Contemporary Lighting Collection and manufactured in Yorkville, NY. The pendant is UL and cUL listed for dry and damp locations, however we do not recommend installing it in spaces that experience a large amount of moisture due to the fabric shade.
