Inspired by the engineering genius of nests created by the miniature insect aviators of our world This multifaceted Pendant profile features a delicately perforated sheet metal insert as a diffuser that is hand-finished in Antique Copper. The Nidos Struttura is illuminated with integral LEDs for energy efficiency, quality light, and long life. The overall height ranges from 10 to 81 inches, as the suspension cord can be adjusted to meet your specific lighting needs. This pendant is ideal for aligning in groups to illuminate kitchen islands, conference tables, reception areas, and other residential and commercial areas from Providence, Rhode Island, to Milwaukee, Wisconsin. The elegant fixture is ideal for installation in hallways and dining areas in homes and restaurants from Montpelier, Vermont, to Baton Rouge, Louisiana, to Salem, Oregon. The Nidos Struttura Mini Pendant is included in our American-made, American-designed, handmade Industrial Lighting Collection and manufactured in Yorkville, New York. UL and cUL listed for dry and damp locations.
