European charm comes to light in a distinctive style, like something from a Dickensian village. Enjoy the time-honored look of Turin, an authentic design created with classic styling and craftsmanship. This regal lantern features an Amber Mica diffuser complemented by hardware in a Gilded Tobacco finish, and a chimney-style finial on top. The shade also includes a door that opens for relamping and maintenance. The Turin Wall Sconce is part of our American-made, American- designed, handmade Traditional Lighting Collection and is manufactured in Yorkville, New York. The fixture is UL and cUL listed for use in dry, damp, and wet locations; however, mica is not suitable for many harsh outdoor locations and is only recommended in areas where the fixture is protected, as exposure to wind and elements may cause delamination.
