Handcrafted like a hope chest built with Reclaimed Wood from timbers rescued from retired barns and antique structures, Reclamare is an eye-catching pendant featuring a wooden frame with hardware and decorative accents hand-finished in an Oil Rubbed Bronze and complemented with a Silver Mica bottom diffuser. Four downlights illuminate the surfaces below, and eight inner lamps bring out the beauty of the mica and wood. The decorative and inner lights benefit from separate circuits to give you precise dimming control over both layers of light to create the perfect ambiance in the space. Ideal for illuminating tables, counters, islands, and bars. The Reclamare Oblong Pendant is featured in our American-made, American-designed, handcrafted Rustic Wood Lighting Collection. This wall fixture is manufactured in Yorkville, New York. It is UL and cUL listed for dry and damp locations. This pendant is featured at the corporate headquarters of Big Bear Engine Company in Parker, Colorado.
