A dramatic theatrical lighting fixture that currently adorns the Traverse City, Michigan Opera House, our chandelier features a stunning Fleshtone Idalight shade trimmed with a dramatic Greek Key border design. Above the inverted dome shade is a striking, three-dimensional Golden finished Lyre with fanciful grape accents, and eight arms embracing hand-blown etched glass globes from France. Hardware is hand finished in Light Burnished Brass. Includes a canopy, 10 feet of chain and 12 feet of wire. Handcrafted in our 180,000 square foot manufacturing facility in Yorkville, New York. Shade colors, metal finishes and fixture sizes can be customized.
