Extraordinary custom luminaires are created from our broad palette of colors, materials, designs and sizes to satisfy the most challenging aesthetic and functional demands of your lighting project. This Quadrato Brew Pendant does not include electrification as it was installed below an existing original high bay fixture in the Stone Brewing World Bistro & Gardens, which is operated by one of the nation's largest microbreweries and based in San Diego County. We model illuminance specifications, including dimmable lamping options, to meet your requirements. Handcrafted in our Yorkville, NY manufacturing facility, the pendant features a Statuario Idalight linear styled diffuser complemented with Natural Steel hardware and frame.
