A classic lantern wall sconce. The Turin is inspired by traditional streetlights that illuminate the world's most famous pathways. A Silver Mica lens diffuses ambient illumination from a frame featured in a Euro Cafe finish. Hand Forged Iron scrollwork adorn the lantern and a spear-like arm is embraced by the wall plate. Illuminates with energy efficient LEDs for energy savings, reduced maintenance and long lamp life. Handmade in our 180,000 square foot manufacturing facility in Yorkville, New York. Fixture sizes, lens colors/materials, and metal finishes can be customized to your specifications. UL and cUL listed for dry, damp and wet locations however the materials are suitable for mild climates, but not for extreme outdoor conditions.
